

It is with extreme sadness that we announce the passing of our senior partner, Earl Weiner. He had been bravely battling cancer over the past few years and passed away peacefully at home on September 25th. We are all in shock and thought we would have much more time with him on this earth. Earl was a member of the Yale family for over 18 years. We all will miss him dearly and our thoughts and prayers are with his wife, Suzanne, and his three young children at this very sad time.

To his clients, please know that we are all here for you and please do not hesitate to reach out to any of the other partners whose contact information is listed below. Your files will be transitioned to other partners according to what we believe is the best fit, but should you prefer to deal with anyone in particular, please let us know and we will accommodate.

With sadness,
Yale PGC LLP
